

LODGE EVENTS

Seems hard to believe that another ski season has come and gone for the most part. For the diehards Killington is still open for those who want to boast how late in the season they skied. It turned out to be a great season with plenty of snow which brought people to the lodge. The event weekends were well attended as well. Thank you to everyone who chaired an event, attended one, and to all the innkeepers. As we transition into the off season months (May thru November) lets have everyone put their thinking caps on and come up with some fun events/activities for the lodge. It does not need to be a **“BIG”** event. Sometimes something simple can be a grand event. Penny Trick seems to be “in the know” about activities in VT as well as Neal Fisher. Weston Playhouse is always fun, Fletcher Farm, fairs, local farmers markets, museums, lakes, and other watering holes to go to and get lost for a day to stay cool. I like Silver Lake which is near Woodstock. It is a nice state park where you can rent paddle boats and kayaks. They have rest rooms, a beach area, and a concession stand. There are great areas to bike, hike, walk, golf, and kayak. Okemo and Killington do have summer events and there are some new restaurants in the area. The club also offers the lodge for group rentals during the off season. It is \$300 per night plus \$150 cleaning cost. The following events are scheduled.

May 19-21	Work weekend-Contact Jonathan Houck for details
June 9-11	Golf weekend-Rhonda Idelman in charge
June 16-18	PRIVATE RENTAL
July 14-16	Sports weekend-Kay Leatherman in charge
Oct. 6-8	Hike weekend-Jeanne Delehanty and Rick Sullivan in charge

The reservation system will be opening up May 1st to book lodging for June thru August. Please get in touch with me if you have an idea and/or want to chair an event/activity. Whether something is planned or not the lodge is available for your enjoyment. Think of it as your **“home away from home”**.
