

New Years Eve in Vermont

Join us for the December 31st Adult New Year's Eve Gala at the Lodge hosted by Moe Gaherty, DJ/Bartender Joe Mangione, Angie Testa and Peter Piwarzyk. The theme is "Birds of a Feather...". Have fun with it! Happy Hour will commence around 6pm, with dinner around 8:30, MTL time. Menu and price tbd. Since very limited appetizers and dessert items will be needed, please do not bring food without checking with Moe first, so we can plan accordingly. Unless you notify Moe in advance that you are going out for the evening, we will assume that everyone staying at the Lodge plans to participate in the dinner. As there is a lot of preparation involved, the lodge kitchen will be closed at 2pm on New Year's Eve. If you are not staying at lodge but plan to join in the festivities, please contact Moe no later than December 26th. Space will be limited. Please, no last minute walk-ins!

Please Note: Since New Years Eve falls on Sunday, you will need a weekend voucher for Friday /Saturday nights, and a mid-week voucher for Sunday night. While we hope that everyone will join us on Friday night, we understand that a 3-night stay might not be possible. If that is the case, you can email Lisa Durland to make arrangements for Saturday and Sunday nights only.
