

## LODGE WORK WEEKEND – SPRING 2017

We have had a great season in our wonderful Vermont home. It is hard to believe that this ends our FOURTH full season at The Lodge!

With wear, however, comes some tear..... so, we have scheduled a work weekend to take place on **May 19th-21st, 2017**. This is the weekend just prior to Memorial Day weekend.

During that weekend, we will be doing some general cleanup, final patching, painting and general fix-up to ensure that the Lodge is ready to go for the Summer / Fall. I will be the Weekend Coordinator assigning duties. We will provide meals for the workers for breakfast, lunch on Saturday and Sunday and Saturday dinner

We welcome all on a first come, first served basis, and hope to have 20 volunteers. I will assign beds (free to the volunteers), again on a first come first serve basis.

Please plan to join in some social time on Friday and Saturday evenings (BYOB).

**Everyone who has participated in these work weekends in the past has found them to truly be a labor of love, and a great time to get to know fellow Club Members. They are just a flat out good time, leaving all participants with a great sense of accomplishment and pride in our Lodge!**

Contact me to let me know your interest in offering your time and expertise to the Mt Laurel Lodge. **YOU MUST REGISTER WITH ME AHEAD OF TIME – PLEASE DO NOT JUST ‘SHOW UP’!**
