Release and Waiver of Claims
(CONT'D ON REVERSE SIDE)

SKI SUNDOWN 2012

RELEASE OF LIABILITY, WAIVER OF CLAIMS, AND ARBITRATION AGREEMENT

PLEASE READ CAREFULLY

Skiing and snowboarding involve risk of serious injury, including death, caused by hazards inherent in the sport of skiing. Participation in the sport of skiing, no matter what type equipment you are using or the event or program that you have chosen to participate in, is a voluntary act on the part of the Participant.

The PARTICIPANT: will participate in the sport of skiing if he/she:

- Appreciates the risks involved in the sport;
- Knows his/her own capabilities and limitations regarding the sport of skiing;
- Is capable of exercising common sense.

Skiing is an active outdoor sport. Use of common sense at all times is essential to an enjoyable and safe experience. The use of helmets is strongly recommended. If you and/or your child decide not to use a helmet, you do so at your own risk.

Release and Waiver of Claims: In consideration of being allowed to participate in the sport of skiing at Ski Sundown, Inc. (the "Facility"), the Participant, and the Participant's parent(s) or legal guardian(s) if the Participant is a minor, do hereby agree, to the fullest extent permitted by law, as follows:

- 1) **TO WAIVE ALL CLAIMS** that they have or may have against the Facility arising out of the inherent risks of the sport of skiing;
- 2) **TO ASSUME ALL RISKS INHERENT IN THE SPORT OF SKIING;** and
- 3) **TO RELEASE** the Facility, its owners, affiliates, officers, directors, employees, agents, and shareholders, from all liability for any loss, damage, injury, or expense that the Participant (or his/her next of kin) may suffer, arising out of the inherent risks of participation in the sport of skiing.

The Participant acknowledges and agrees that the inherent hazards and risks of participating in the sport of skiing are in addition to those referenced in *Connecticut General Statutes § 29-212*. The Participant also acknowledges that this agreement does not, in any way, change the rights or obligations of the Facility or the Participant, as set forth in *Connecticut General Statutes § 29-211, et. seq.*, other than as set forth in this agreement.

Arbitration: The Participant or his/her Parent(s) or Guardian(s) hereby agree(s) to submit any dispute arising from participation in the sport of skiing to arbitration, for the sole purpose of determining whether the alleged injury arises from a hazard inherent in the sport of skiing. For such disputes, there shall be a three-member arbitration panel, consisting of two party-appointed arbitrators (one arbitrator to be appointed by each party) and one neutral arbitrator (collectively, the "Panel"), to be chosen by the party-appointed arbitrators. The neutral arbitrator shall be a current officer of a ski area located in Connecticut, Vermont, New Hampshire, Maine or Massachusetts. In the event that the two party-appointed arbitrators are not able to agree on a third, neutral arbitrator, the neutral arbitrator shall be appointed by a court of competent jurisdiction based on the criteria specified above. Each party shall pay its own costs, including the costs associated with the party-appointed arbitrators, and the parties shall share equally the costs associated with the neutral arbitrator. The arbitration proceeding shall proceed in West Hartford, Connecticut and shall be governed by the Federal Rules of Evidence. The Panel shall establish a reasonable and appropriate discovery schedule to expeditiously resolve this matter.

In the event that the Panel determines Participant's alleged injury arises from a hazard inherent in the Participant's participation in the sport of skiing, Participant's claim shall be deemed barred, as a matter of law, and the Participant shall be barred from recovering any compensation from Ski Sundown, Inc.

In the event that the Panel determines that Participant's alleged injury did not arise from a hazard inherent in the sport of skiing, the Panel must next determine whether Ski Sundown, Inc. was negligent and if so, whether Ski Sundown, Inc.'s negligence was a proximate cause of Participant's injury. If the Panel determines that either Ski Sundown, Inc. was not negligent or that any negligence on its part was not a proximate cause of the Participant's injury, then the Panel must enter an award of no responsibility for Ski Sundown, Inc. and Participant shall be barred, as a matter of law, from recovering any compensation from Ski Sundown, Inc.

However, if the Panel finds that negligence on the part of Ski Sundown, Inc. was a *proximate* cause of Participant's injury, the Panel must then determine whether Participant was negligent and whether Participant's negligence contributed to his/her injury. The Panel shall assign a percentage of negligence for both Ski Sundown, Inc. and Participant, which must equal 100%. If the Participant's allocation of negligence exceeds 50%, **Participant's claim shall be deemed barred, as a matter of law, and the Participant shall be barred from recovering any compensation from Ski Sundown, Inc.**

However, if Participant's allocation is less than 50%, then the Panel shall determine dollar amount for any damages that have been proven that will fairly compensate the Participant for his/her injury. The Panel shall then multiply the dollar amount of any such damages by the percentage of negligence found on the part of Ski Sundown, Inc. The resulting number shall be the Panel's compensation award for Participant's injury.

The Federal Rules of Evidence shall apply to the arbitration proceeding unless the parties otherwise agree.

Acknowledgement: I grant permission to Ski Sundown to use my photograph, video tape, motion picture recording or any other record of my use of its facilities for legitimate purposes.

I HAVE READ AND UNDERSTAND THIS AGREEMENT AND I AM AWARE THAT BY SIGNING THIS AGREEMENT I MAY BE WAIVING CERTAIN LEGAL RIGHTS, INCLUDING THE RIGHT TO SUE.
