

MTL Skiers Club Trip Policy

The following are the guidelines for all alpine or non-alpine trips that may be considered by the MTL Board on a yearly basis:

Trips must be presented to the MTL Board no later than the April board meeting for consideration.

No pre-booking of a trip is allowed, the trip must be presented to the MTL board for approval before any booking is done.

Trips must be presented to MTL Board for consideration before presented to membership.

The trip information must include the following:

Where is trip to? Dated selected?

What trip is offering?

How much is total cost/person?

Are comps included in cost? And what do the comps include?

Who is to get the comps?

The leader/organizer must go on trip.

Once the trip is approved it can than be presented to the membership for sign up.

The trip is available to MTL members first, with a deadline for sign up, once that deadline has passed then it can be opened up to other CSC Clubs or other persons outside the club. MTL members have first priority for all trips.

Comps for any trip, run through the MTL treasury, fly or drive, must be accounted for up front, either by dollars back to the attendees or by having activities on the trip.

Accounting of all monies, on trips run through the MTL treasury, must be presented to the current club treasurer for verification of all money in & out for the trip.

All trip sponsors get equal time to advertise and present the trips to the membership.

Trips that are run off the books may be subject to a request by the board for the person to be bonded.

Other non-alpine or alpine trips may be approved by the board on a case by case basis.
